

## Examples of a script for recitation

(No revision from the original manuscripts except some proper nouns)

### Sample 1

Summer vacation

My name is Taro Abiko. I am Abiko elementary school in 5<sup>th</sup> grade.

I went to Yokohama and Hakkeijima sea paradise in summer vacation.

I saw a lot of beautiful fish. I like dolphin. Because it is very cute.

Also I went to a Cupnoodles museum.

I respect Momofuku Ando who made a Cupnoodles fast time in 1971.

I had a good memory at Yokohama city in this summer vacation.

Thank you

### Sample 2

I have a cat called Tama. He is 18 months old. My Dad will not allow him in the house very often. He says “cats should be kept outside”.

Tama is a little unusual. He does not like dogs and sometimes attacks them or chases them away, even very big dogs! But he really likes people, especially children. When my friends come to our house Tama always appears. He comes over and wants to be picked up or petted. If we do not pick him up, he just follows us or chases us around the garden. He loves climbing trees to chase birds. But it is much too slow to catch them. My cat is just too friendly toward everybody. So, I hope nobody steal him. I would be very sad and upset.

### Sample 3

Hello, I am Hanako and 10 years old. I am going to talk about my dream house.

I want to live in a 7 stories house with roof top balcony.

The 1<sup>st</sup> floor and 2<sup>nd</sup> floor will be guest rooms. 3<sup>rd</sup> floor will be my dad's room.

4<sup>th</sup> floor will be my room. 5<sup>th</sup> floor will be my mom's room

6<sup>th</sup> floor will be walk-in closet. 7<sup>th</sup> floor will be the dining room, living room and kitchen. Each floor has 2 bed rooms and 1 bathroom.

I will have a bunk bed in my room.

At the roof top balcony, there is Onsen and swimming pool. And also there is a table and chairs, so we can have a drink and relax. This is my dream house.

Thank you.
